WAR MOST BRUTAL WORLD-HAS SEEN

Former Senator Lafayette Young | the State national guards Tells of Conditions in Balkans.

London, July 28.—Former United States Senator Lafayette Young, of Jowa, arrived here to-night from the Servian army headquarters at Nish, which he left last Thursday. He said he was glad to reach here and to be able to dine in a hotel after weeks spent with Maddin Summers. United States consul at Belgrade, in the war zone, traveling in freight cars sleeping of the ground because of a lack of tents and enting black bread. Mr. Young said that from the number of wounded men he saw the war in the Balkans must be the most brutal ever fought. Americans he said, could not appreciate the intense hatred exist. not appreciate the intense hatred exist-ing between the Bulgars servians and Greeks Foreigners in the Balkans speak slightingly of the fighting abil-ity of the warring factions, declaring their boastings are disproportionate to their policyerents. their boastings are disproportionate to "The most serious situation for the Balkang," said Mr. Young, "is the utter absence of anything for the people to live on when winter comes. Wheat and oats are rotting in the fields, and corn is being strangled by weeds. The thousands of oxen engaged in transport service."

Mr. Young said that cholers was prevalent among the soldier, every, where in the war zone
